

# UBISTEEL™

BRINGING BUYERS AND SELLERS  
OF STEEL TOGETHER

Ubisteel™ is an industry platform built on new standards in specifying detailed quote requests for profiled parts and structural sections in a single electronic file.

Start your free trial today at [www.ubisteel.com](http://www.ubisteel.com)

**Steel Buyers** - Create detailed quote requests using FastCAM® RFQ™ that can be directly emailed to steel vendors. Directly import CAD files or use the data entry screen to define part requirements.

## Steel Buyers

ID	Description	No.Off	Length	Grade	File	Weight	S/Area
